

## **about us:**

Kids Corner is the only family-owned kids specialty shoe store in Santa Barbara, CA that is committed to healthy growth through proper shoe fitting and local giving. Whether you are new to this world, have already conquered crawling, have mastered the fine art of walking, or are old enough to read this, Kids Corner has your feet covered.

Kids Corner features the widest variety of casual and sport footwear for just about every occasion you can imagine—new kicks for running around the playground, sandals for sunny days, and cozy boots for the occasionally chilly Santa Barbara weather.

Kids Corner believes that giving back is the cornerstone of a happy and healthy life—1% of all sales will be given to various local charities dedicated to helping the children of Santa Barbara through the **Local Sole Foundation**.

After having her first child, Kids Corner founder Monica DeVreese, realized that Santa Barbara was missing a shoe store dedicated to the growing needs of kids' feet. Monica brings her love of footwear and giving to a new model of retail in Santa Barbara. Monica and her husband Joe DeVreese also own **Santa Barbara Running**, the premier, local running specialty store with two locations—in both Santa Barbara and Goleta. Combined, Monica and Joe bring over 32 years experience in footwear to provide unparalleled service, expertise, and footwear knowledge to everyone who comes to their shops.

## **LOCAL SOLE FOUNDATION:**

### **give a little, help a lot**

#### **about:**

There are over 110,000 children\* living in Santa Barbara and a plethora of local non-profits dedicated to helping every single one. Whether they focus on teaching our kids about the amazing slice of paradise we live in and how to take care of it, helping enrich their minds for a positive future, or just helping them out no matter what the need is, Local Sole donates 1% of all sales from Kids Corner to local kids' non-profits.

#### **how it works:**

1% of every purchase made at Kids Corner goes to the Local Sole Foundation,

dedicated to enriching the lives of the people that matter the most-- our children.
