

Welcome to your first of a weekly series giving you all the scoop on CALM at Heart: Transforming Communities. From today until November 3rd, I will be providing weekly information about the event, and answering frequently asked questions. You are receiving this email because you have purchased a sponsorship, table, or ticket. We are so thankful for your enduring support of CALM's work, the families we serve, and our community, and look forward to welcoming you to CALM at Heart on November 4th at the Lieff estate on Sycamore Canyon Road in Montecito.

First, **CALM would love to start receiving your guest lists.** Please let us know your guest names when you have them available, as well as an email address for each attendee if possible. A robust guest list early in the process will help us manage the health and safety of everyone. **Please send your lists to amccague@calm4kids.org.**

Now, let's talk more about health and safety. While COVID continues to impact our communities, we are confident we have developed an event that prioritizes everyone's safety and comfort. We are limiting our guest count well below the maximum allowed, and are keeping the entire event outdoors. **CALM is also asking every attendee to submit your COVID vaccine record.** This includes sponsors, table purchasers, individual ticket buyers, and guests. We would like to collect these before November 4th for a smoother check-in process, so I ask that you submit a picture or a scan of your vaccine card [here](#). We value your privacy and will keep this information confidential. You may start sending those records today.

For those who do not have vaccine records, we are requesting proof of a negative PCR test taken within 48 hours of the CALM at Heart event.

We are also asking everyone to **bring masks for parking shuttles and bathrooms.** Masks are encouraged in all outdoor spaces.

Coming next week: Parking information and auction items! There are exciting things coming your way!
