

Adopt a Room

In one moment, you can make a difference in the life of a child

CALM's therapy rooms are used by hundreds of children each year. A place to heal and grow, the rooms are filled with games, books, and therapeutic toys. Over the years, the games lose their pieces, the book spines crack and the toys break. Eight therapy rooms at CALM are looking for a little love, and a fresh set of supplies.

____ Yes, I would like to donate an item to a therapy room

Please list the item(s) _____

____ Yes, I would like to Adopt a Room (full set of games, books, and toys for one room)
